Dear Mr. Gudgel,

We are in receipt of your completed application for NABCEP Continuing Education Credits for the course(s) you are offering listed below.

**Course(s) Included in Application**

*Midnite Solar 2012*

*4 Hours*

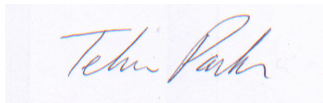

Registration for this course is now valid through 2/17/2014.

This is to notify you that your course meets the criteria for NABCEP Continuing Education. It appears to be adequately technical, have a teacher/learner format, review technical specifications, or directly relate to the NABCEP Task Analysis, among other pertinent features. Based on these factors, you may therefore state that this course is **registered** for NABCEP Continuing Education Contact Hours (Credits) for the hours listed above.

I thank you for striving to provide quality education and technical training in the installation of solar systems.

If you have any questions regarding the approval process or related matter, do not hesitate to contact me.

Sincerely,

Tehri Parker  
Director of Program Services
