Discos

MidNite Solar, America's number one combiner manufacturer, is proud to announce a new line of disconnecting combiners, THE DISCOS!

These new disconnecting combiners allow emergency personnel to shut off power right near the solar array.

With over 60,000 combiners sold, MidNite Solar continues to lead the industry with safer, smarter, fully featured disconnecting combiners. These Combiners are all designed to meet and exceed the 2011 NEC requirements.
